**Today and Always
We Honor our Mothers with Deep Gratitude**

May 1, 2021

Dear Future Client,
I hold you with tenderness and joy.

"The only love that we get to keep is the love that we give away"...right!

When I realize that we are just going through Mother Earth experiencing what it means to be human, and I focus my attention on those words, my heart opens up and I embrace humanity. All the sudden, I am bigger than myself!

Knowing that *What I send out I Receive* motivates me to continue choosing my

thoughts and as a result my feelings. In consequence, I find more and more around me, kindness, joy, love, peace, abundance and freedom for which I am so eternally grateful.

As you can imagine, I encounter challenges which enhance my mission of learning to pause and choose my reaction to them, to see them as an opportunity to grow, which is a challenge itself. I am not always successful and yet persistent. What helps me the most is to see myself in others, this softens my edges and defensiveness and opens my heart to listening. I believe that what I do for me, I know I do it for you too...it spreads out like waves in a pond touched by a pebble.

*When I founded Lilly's Cleaning Service, Inc. 29 years ago based on the principles of Integrity, Excellence, Compassion and Gratitude I was deeply grateful to our employees for working with me on building our enterprise from scratch. I love them and I value them; in return, they care and appreciate the job opportunity you are giving to them. That returns to me as peace of mind! **THANK YOU ALL !***

We keep holding up our elevated standards of Consistent Highest Quality Cleaning and Excellent Customer Service... that is our motto of operations. You deserve it! In return our clients stay! And my heart sings !

We are **DEEPLY GRATEFUL** to you for considering Lilly's Cleaning Service to be your cleaning needs provider. It comes back to you multiplied with love, joy, peace, abundance and freedom. It is!

A huge tender hug filled of PEACE and JOY that envelopes and relaxes you!

Above all, We are One and Many. We are the Ocean and the Drop. And I see YOU!

I love you all.
