Lilly's
CLEANING SERVICE, INC.

Life is very simple. What I give out comes back to me.
Today I chose to give love.
Love is all there is!

March 1, 2021

Our very dear Client,
I am holding you in my heart with love and joy!

It was a year ago, on March 23, 2020, that we had to close the Company and my heart literally stopped for a moment, contracted in pain and horror, remember?

It was the right decision to protect you and our employees since we could not find face masks and disposable gloves at that time.

It was an act of love. Yes, love is a verb more than a feeling and when we love, we act.

It turns out that we got stronger and more unified, and I am amazed with how Karen, our Operations Manager, and Angela, our Administrative Assistant, have expanded their power of creation and are opened to possibility with compassionate hearts. They are something to see! I am so proud of them!

And also, our cleaning technicians are GRATEFUL for the stability of the jobs that you and our office staff are providing for them.

From my heart to yours, always, I THANK YOU for your Support and Loyalty.

We continue our commitment to assure you that we work every day with our goals in mind: EXCELLENCE and HIGH-QUALITY SERVICE, EVERY VISIT.

If someone lowers their guard in this respect, we firmly request they come back to our standards of Consistent High-Quality Cleaning... nothing less. That is an act of love since we want our employees to keep their jobs.

So, here we are, guided by our foundational principles of Integrity, Excellence, Compassion, and Gratitude. As long as we continue guided by them, our path is clear.

Sending you a huge tender hug full of PEACE and JOY that envelopes and relaxes you!

Above all, We are One and Many. We are the Ocean and the Drop. And I see YOU!

I love you all.
